BEFORE THE WEST VIRGINIA BOARD OF SOCIAL WORK EXAMINERS

WEST VIRGINIA BOARD OF SOCIAL WORK EXAMINERS,
Complainant,

v. Case No. 0806DR-07-01

DENA D. RICHARDS,
Licensed Social Worker
Licensed Number: AP00939030
Respondent.

CONSENT AGREEMENT AND ORDER

After due investigation of a written complaint, the West Virginia Board of Social Work Examiners (hereinafter “Board”) determined that there was probable cause to believe that Dena D. Richards (hereinafter “Respondent”) has exhibited unprofessional and unethical conduct in the practice of social work, in violation of the provisions of W. Va. Code § 30-30-1 et seq. and the Rules of the Board, 25 C.S.R. § 1 et seq. The Respondent was provided with written notice of the allegations against her pursuant to the rules of the Board and the laws of this State.

Now, in lieu of hearing, the parties have reached an agreement for the resolution of this case matter and the parties agree to entry of the following Order in disposition of this matter.

FINDINGS OF FACT

The Board adopts the following findings in this matter:

1. That the Board is a State entity created by W. Va. Code § 30-30-1 et seq. and is empowered to regulate the practice of social work.
2. That the Respondent, Dena D. Richards, is a licensee of the Board, possessing License No. AP00939030, and is therefore subject to the license requirements of said Board.

3. That the Board is empowered to investigate allegations of unprofessional or unethical conduct and to suspend, restrict, revoke or refuse to issue a license to practice social work under the authority granted to it by W. Va. Code § 30-30-1 et seq.

4. That Respondent was, at all times material hereto, employed as a licensed social worker for Eagle Pointe Nursing Home. However, Respondent was subsequently terminated from this employment in August 2006.

5. That in August 2006, the Board received a written complaint that the Respondent had misappropriated funds from a resident/patient.

6. That upon investigation, it was revealed that the Respondent had been given approximately four hundred dollars ($400.00) with which to purchase items for a resident/patient in May 2006. Respondent’s employer discovered in August 2006, that Respondent had purchased several items that were not for the benefit of the resident/patient. Moreover, it was determined that the Respondent had falsified one receipt to show the purchase of certain items which had not actually been purchased yet by the Respondent.

7. That when questioned regarding the questionable purchases and the false receipt the Respondent admitted, both verbal and written, that she had not yet purchased those items, but had planned on purchasing those items in the future. Respondent also admitted that she still retained one hundred dollars ($100.00) or more of the resident’s/patient’s funds. However, she was required to pay these funds back to her employer which she successfully did.
8. That the Board conducted an investigation, during which time the Complainants, the Respondent and other relevant parties were interviewed and various documents relevant to the complaints were obtained.

9. That the Board’s assigned complaint investigator did review all the information obtained during the investigation and based upon that review, did make a recommendation to the Board for a finding of probable cause.

10. That the Respondent’s actions constitute a violation of the current Code of Ethics adopted by the Board, the Board’s governing practice act, and that this violation of the Code of Ethics may be grounds for disciplinary action by the Board pursuant to W. Va. Code § 30-30-7. and 25 C.S.R. § 1-4.2.

11. That the Board, by vote at its January 18, 2006 meeting, made a finding of probable cause for a violation of the National Association of Social Workers Code of Ethics at 4.04 along with W. Va. Code § 30-30-7(3).

CONCLUSIONS OF LAW

1. That the Board has jurisdiction to take disciplinary action against Respondent.

2. That based upon the allegations of unprofessional or unethical conduct set out above in the Findings of Fact section, the Board is authorized to suspend, revoke or otherwise restrict the license of the Respondent to practice social work, pursuant to W. Va. Code § 30-30-7.

3. That the Board has adopted the National Association of Social Workers Code of Ethics as its Code of Ethics pursuant to 25 C.S.R. § 1-4.1 and has defined professional negligence to include a licensed social worker’s failure to comply with the Code of Ethics. Violations of this Code may be grounds for disciplinary action by the Board pursuant to 25 C.S.R. § 1-4.2.
