BEFORE THE WEST VIRGINIA BOARD OF SOCIAL WORK EXAMINERS

WEST VIRGINIA BOARD OF SOCIAL WORK EXAMINERS,

Complainant,

v.                                                                                                      Case No.:  JB06004

JULIE A. BARTHELMESS,
Licensed Social Worker
License Number: AP00452925,

Respondent.

CONSENT AGREEMENT AND ORDER

After due investigation of a written complaint, the West Virginia Board of Social Work Examiners (hereinafter "Board") determined that there was probable cause to believe that Julie A. Barthelmess (hereinafter "Respondent") has exhibited unprofessional and unethical conduct in the practice of social work, in violation of the provisions of W. Va. Code § 30-30-1 et seq. and the Rules of the Board, 25 C.S.R. § 1 et seq. The Respondent was provided with written notice of the allegations against her and this matter was scheduled for hearing, pursuant to the rules of the Board and the laws of this State.

Now, in lieu of hearing, the parties have reached an agreement for the resolution of Case Number JB06004 and the parties agree to entry of the following Order in disposition of this matter.
FINDINGS OF FACT

The Board adopts the following findings in this matter:

1. That the Board is a State entity created by W. Va. Code § 30-30-1 et seq. and is empowered to regulate the practice of social work.

2. That the Respondent, Julie A. Barthelmess, is a licensee of the Board, possessing License No. AP00452925, and is therefore subject to the license requirements of said Board.

3. That the Board is empowered to investigate allegations of unprofessional or unethical conduct and to suspend, restrict, revoke or refuse to issue a license to practice social work under the authority granted to it by W. Va. Code § 30-30-1 et seq.

4. That Respondent was, at all times material hereto, employed as a counselor with the Huntington Mental Health Associates.

5. That in August of 2005 the Board received correspondence from Respondent admitting to illegal and unethical conduct. Said correspondence included an admission of theft of prescription pads belonging to Dr. Carol Klein, the forging of Dr. Klein's signature on the prescription pads for prescriptions written in Respondent's name and in her son's name, the filling of those prescriptions, and the abuse of the prescription medication, Adderall.

6. That in September of 2005 the Board received a Complaint against Respondent, relating to the admission made by Respondent in her August correspondence to the Board.
7. That in October of 2005 the Board received a second complaint against Respondent, again relating to the admissions made by Respondent in her August correspondence to the Board.

8. That between August of 2005 and October of 2005, the Board conducted an investigation, during which time the Complainants, the Respondent and other relevant parties were interviewed and various documents relevant to the complaints were obtained.

9. That the Board's assigned complaint investigator did review all the information obtained during the investigation and based upon that review, did make a recommendation to the Board for a finding of probable cause.

10. That the Respondent's actions constitute multiple violations of the current Code of Ethics adopted by the Board, and that these violations of this Code may be grounds for disciplinary action by the Board pursuant to 25 C.S.R. § 1-4.2.

11. That the Board, by vote at its November 10, 2005 meeting, made a finding of probable cause for multiple violations of the National Association of Social Workers Code of Ethics.

**CONCLUSIONS OF LAW**

1. That the Board has jurisdiction to take disciplinary action against Respondent.

2. That based upon the allegations of unprofessional or unethical conduct set out above in the Findings of Fact section, the Board is authorized to suspend, revoke or
otherwise restrict the license of the Respondent to practice social work, pursuant to W. Va. Code § 30-30-7(a)(1).

3. That the Board has adopted the National Association of Social Workers Code of Ethics as its Code of Ethics pursuant to 25 C.S.R. § 1-4.1 and has defined professional negligence to include a licensed social worker's failure to comply with the Code of Ethics. Violations of this Code may be grounds for disciplinary action by the Board pursuant to 25 C.S.R. § 1-4.2.

4. That in December of 2005 the Board issued a Notice of Hearing and Complaint to the Respondent. This matter was scheduled for hearing on February 21, 2006, at 10:00am.
